

Zeriol[®] FOD

Technical Data Sheet

Product Description

Zeriol[®] FOD is a versatile diesel fuel stabilizer designed to combat common fuel storage issues. It enhances fuel stability, prevents sludge and deposit buildup, and provides protection against microbial-induced corrosion, ensuring long-term fuel integrity and system reliability.

Typical Applications

- Diesel fuel storage tanks
- Backup generators
- Marine fuel systems
- Transportation fleets
- Industrial machinery
- Agricultural and construction equipment

Key Advantages

- Enhances diesel fuel stability
- Prevents sludge and deposit buildup
- Protects against microbial-induced corrosion
- Extends fuel storage life
- Reduces maintenance costs and downtime
- Compatible with various diesel fuel systems
- Improves fuel system reliability
- Easy to use, no special equipment required
- Suitable for long-term fuel storage and high-demand applications

Availability

Contact a Zerust[®] representative for ordering information.

‡ DECLARATION

Corrosion protection claims are based on Northern Technologies International Corporation (NTIC) internal laboratory testing performed under controlled parameters on contaminate-free substrates. Real-world application corrosion protection duration on different substrates will vary and depends on factors such as, but not limited to, the application or use, environmental/ storage conditions, surface cleanliness, type of substrates, and coating thickness (where applicable). The use of the term "Up to" in reference to time is defined as any time duration from zero up to a specified time frame, but in no event beyond the specified time frame. The use of the term "for years" is based on NTIC's experience with its products but is in no way guaranteed. The use of the term "Up to" in reference to volume is defined as any volume from zero up to a specified volume but in no event beyond the specified volume of protection. It is the customer's/user's obligation to evaluate product performance, corrosion protection duration, safety, and suitability for intended use within the scope advised in the data sheet and to comply with all applicable laws and regulations.

LIMITED WARRANTY/DISCLAIMER Warranty is limited to the replacement of a product that fails to meet specifications. For full warranty and disclaimer information, visit www.zerust.com/warranty.
